**Presidents Report:** It was agreed that elections will be postponed until fall. Solicitation to fill positions will occur at June orientations and membership list was split between several people to call and ask for volunteers to fill positions. While anyone can run for any position, we specifically need an experienced Treasurer. Carol will email board members a blurb to use as a guideline when contacting members.

Sara talked about the need to regroup; and get commitment from board members as role and responsibility. We will also be getting together in the summer to put together a calendar for next year. Sarah will work with Carol organizing a back to school picnic, a Fun Run and possibly a Taste Fest. Sarah would like to see the Trustee be a liaison and connection to the teachers in their group (MMSTC, MS2TC and MSVPA). Also, to oversee treasury ledgers for their "area" too.

Carol will work with Sara on putting together some handouts for the membership table at the upcoming orientations. Danielle will represent MSVPA, Carol will represent MMSTC, and Becky will represent MS2TC.

Sara would also like to see the membership person also be the volunteer coordinator.
